

# Web Packages

With technology playing such a crucial role in today's business world, making your mark on the internet is becoming increasingly important.

At Sunrise Designs we design websites that not only promote your business, but extend your services to a world wide client base.

From a basic website to a multi-tiered secure online shopping site, we can design and create a website that delivers exceptional results.

**The following is a basic overview of the web packages we offer, the prices listed can be used as a guide however feel free to contact us for a customised quote...**

# Web Packages

## Package One

Package One is perfect for anyone wanting a cost effective way to create an online presence. If you are going to be directing people to your site rather than relying on search engine results, and don't require any animation in your website then this is the package for you.

**Package One Includes:**

- 5 Static HTML Pages
- 2 Design Concepts
- 4 Further Refinements
- Image Optimisation
- Test and Upload Site

**Starting from \$2,000**

# Web Packages

## Package Two

Package Two is aimed at those wanting a larger website that can be updated regularly. This package also includes limited flash animation which is ideal for scrolling image galleries or moving headers.

**Package Two Includes:**

10 Static HTML Pages  
2 Flash Animations  
Content Management System  
Image Optimisation  
2 Design Concepts

10 Further Refinements  
Test and Upload Site

**Starting from \$3,500**

# Web Packages

## Package Three

Package Three is ideal for anyone wanting to really move forward and make their mark on the internet. The package is fully editable and updateable through a Content Management System, offers a secure Online Shopping Cart where necessary, and includes embedded flash animations.

**Package Two Includes:**

15 HTML Pages  
Flash Animation  
Content Management System  
E-Commerce System  
Image Optimisation

3 Design Concepts  
Unlimited Refinements  
Test and Upload Site

**Starting from \$5,000**

# Web Packages

## Package Four

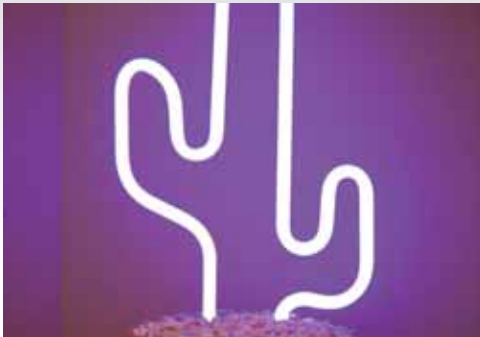

Package Four offers a complete Flash website. These sites are perfect if you really want to impress your audience. Through the creation of a Flash website almost anything is possible, from animation, to music and videos. If you want to give your viewers an interactive experience then Flash is the site for you.

**Package Four Includes:**

- 8 Page Flash Site
- Image Optimisation
- 2 Design Concepts
- Limited Refinements
- Test and Upload Site

**Starting from \$6,000**
